## EXECUTIVE SUMMARY

---

I graduated from Perjuangan University Tasikmalaya, with aspirations for a career in the field of information technology. My ambition in this industry is clear, and I have demonstrated a strong determination to succeed. Throughout my university journey, I have shown perseverance and dedication, and now I am very excited to apply my knowledge and skills in the professional world. Although I anticipate challenges along the way, I remain confident that with hard work and dedication, I will achieve my goals in the field of information technology.

## EDUCATION

---

**Bachelor in Informatics Engineering, Universitas Perjuangan** 2019 - 2024

- GPA: 3.83 / 4.00

## WORKING EXPERIENCES

---

**Recording Fingerprints and Faces, DAPENBI (Dana Pensiunan Bank Indonesia)** 2021 – 2023

- Recording the fingerprints and facial features of retired Bank Indonesia employees is a crucial process aimed at maintaining secure access to sensitive information. Once captured, this biometric data is securely transmitted to the DAPENBI server, ensuring its integrity and confidentiality. This meticulous procedure ensures that only authorized individuals have access to the pension system, safeguarding both the retirees' benefits and the institution's data security.

**Video Editor & Videographer, MEWAH Project (Media Dakwah)** 2023 – present

- As a videographer and editor for various events, my role is to meticulously capture every moment, ensuring nothing is missed. From the initial setup to the final farewells, I use my keen eye for detail to frame shots that convey the atmosphere and emotion of each occasion. Back in the editing suite, I meticulously weave together footage, selecting the best shots, enhancing colors, and synchronizing audio to create a seamless and captivating narrative. Whether it's a corporate gathering, wedding celebration, or community event, my goal is to deliver a final product that not only documents but also immortalizes the essence and significance of the event for years to come.

**Front End Web Developer, MUF SMAC (Showroom Mandiri Utama Finance)** 2023 – 2023

- Developing a user interface for the information system of a motorcycle showroom under MUF SMAC involves creating an intuitive and efficient platform tailored to the specific needs of both the dealership and the finance company. This interface will streamline the process of managing inventory, customer information, financing options, and sales transactions. By incorporating user-friendly features and seamless integration with MUF's finance system, the interface will enhance the overall operational efficiency and customer experience of the showroom. Additionally, it will provide valuable insights through data analytics, empowering decision-making and strategic planning for the dealership and finance provider alike.

## ORGANIZATIONAL EXPERIENCES

---

**Head of Videography Division, Liga Film Mahasiswa** 2019 - 2023

- As the Head of the Videography Division in the Student Film League, your responsibilities include providing strong leadership to the team, managing all aspects of videography projects from conceptualization to execution, coordinating with other division heads for seamless collaboration, overseeing equipment procurement and maintenance, maintaining high standards of video production quality, providing training and development opportunities for team members, representing the division in external meetings, and exploring innovative approaches to enhance

video production capabilities, ultimately ensuring the successful execution of projects and contributing to the league's overall success and reputation.

## HONORS & AWARDS

---

- **Juara Harapan 3 of Short Movie, TMF (Tasik Movie Festival)** 2022  
I achieved the 3rd Honorable Mention in the Short Movie category at the Tasik Movie Festival (TMF) in 2022. This recognition highlights the quality and creativity of my short film among a competitive field of entries. It serves as validation of my storytelling skills and filmmaking abilities, motivating me to continue pursuing excellence in the art of filmmaking.

## COURSES & CERTIFICATION

---

- **Office Administration, BNSP (Badan Nasional Sertifikasi Profesi)** 2024  
I hold a certification in Office Administration issued by the National Professional Certification Agency (Badan Nasional Sertifikasi Profesi - BNSP). This certification validates my skills and knowledge in efficiently and effectively carrying out administrative tasks within an office environment. It demonstrates my ability to contribute significantly to ensuring operational smoothness and administrative success in my workplace.
